

## BLACKCURRANT AND PINOT NOIR JELLY

(Makes 8 x 125ml sundae glasses or 24 shot glasses)

This refreshing dessert is enjoyed because it isn't rich or overly sweet.

### INGREDIENTS

350g (1 + 1/2 cups) castor sugar  
500ml (2 cups) pinot noir  
3 star anise

#### If you are using fresh berries

14g (3 tsp) gelatine  
360g blackcurrants

#### If you are using frozen berries

20g (6 tsp) gelatine  
540g frozen blackcurrants

### METHOD

1. To make pinot noir syrup: Place sugar, pinot noir and star anise into a saucepan set over a gentle heat. Stir till sugar is dissolved. Increase heat and heat to just below boiling.
2. Strain pinot noir syrup to remove star anise. Place 125ml (1/2 cup) pinot noir syrup in a small bowl and sprinkle gelatine onto syrup. Stir to dissolve.
3. Pour into remaining pinot noir syrup and stir till combined. Leave to cool.
4. Divide blackcurrants between serving glasses and add pinot noir syrup to come up to top of glasses.
5. Refrigerate for at least 2 hours, preferably overnight, or till set.
